When ordering hook up wire, start with the base part number. Then use the following abbreviations for the desire color:

ВК	Black	
BL	Blue	
BR	Brown	
GR	Green	
GY	Green/Yellow	
OR	Orange	
РК	Pink	
RD	Red	
SL	Slate	
VI	Violet	
WH	White	
YG	Yellow/Green	
YL	Yellow	

Finally, use the following put up code for the desired put up:

N.

005	100FT	
001	1000FT	
013	5000FT	

For example, if you were ordering 1000ft of part number 3070 in black, the part number would look like 3070 BK001.
